Key points for teachers when streaming your own content

- Make sure you have an up to date relevant public liability insurance
- Use non copy write music <https://vintaytime.com/no-copyright-music-download-free/>

Health & Safety main points

- Be aware of your teaching space and those of others
- Take into consideration equipment – some people may not have any equipment so adaption should be made.

- You and they have enough space around them to perform exercise –do a standing demo reach arms up to the side, kick legs to the front, side and back, Jump with arms to the ceiling, lie down with a fully extended body.
- Space Environment – indoors the room should be well ventilated, lighting sufficient, and space clear of furniture – beware of children and animals underfoot
- Outdoor space – please check the ground is clear from debris such as glass or organic matter
- Always do a Verbal health screen quick intro at the start of your sessions and if possible a visual text (disclaimer as above) at the start of each sessions.
