Job Details

The University The University of Manchester has over 16,000 students and staff taking part in organised sport and physical activity through the University. The University recognises the importance of an active lifestyle in both the experiences that these opportunities provide our audiences as well as the positive impact that they have on their wellbeing. Delivery of our sport and physical activity strategy is through UoM Sport which is based across our campuses primarily in Fallowfield at the Armitage Sports Centre and in Manchester University Students' Union on Oxford Road. Our activities take place across the city utilising a range of city facilities in supporting our community being active and promoting physical activity opportunities through our facilities and programmes.

The post holder will deliver quality coaching, management, organising, delivering and monitoring performance to the University of Manchester's Korfball Club and increase their performance in British Universities and Colleges Sport (BUCS). This role will be responsible for the coaching and management of the performance level players within the club.

Main Duties & Responsibilities

- Deliver an effective coaching programme that helps improve the performance and experience of playing members.
- Analyse match performance and provide feedback and actions as appropriate
- Lead the club with input from team captain (and other coaches where appropriate) to select playing squad and maintain a transparent selection processes and pathways between squads. This will require attendance at trials.
- Assist in recruiting students to engage with coaching opportunities, providing opportunities where appropriate to coach within the club.
- Mentor student coaches within the club and offer support where appropriate to members who wish to undertake coaching qualifications or opportunities within the Coaching Pathway.
- Work closely with the Representative Sport Coordinator and committee members to assist with the development of the Korfball at The University of Manchester.
- To ensure all sessions comply with Health and Safety.
- To work within an equal opportunities framework.
- Plan and deliver **two 90 minute training sessions per week** at the Armitage Sports Centre (weekday evenings)
- Attend all **BUCS tournaments** (typically two Saturdays and one weekend per season), which may involve travel outside Manchester.
- **Optional:** Attend weekly league fixtures, usually held on Sundays (home games are at the Armitage Sports Centre).

Application Process:

Please send a copy of your **CV** and a **cover letter** (stating how you meet the role criteria) to:
kyle.cherry@manchester.ac.uk

Closing date : 17th July 2026

Interviews week beginning : 27th July 2025

For informal any queries regarding this role please contact Kyle Cherry at the email address listed above.

Person Specification

Equestrian Coach

UoM Sport are looking for people who are outgoing and highly motivated. The season runs from approximately **October 2026 to May 2027**, and you'll be joining a thriving club with a strong competitive record. Last season, our 2nd Team achieved an outstanding **3rd place finish at BUCS**, making them the **highest performing university 2nd team in the country**.

For the upcoming season, the team will compete in the **North West 2 League** and will feature a diverse squad ranging from complete beginners to players with several years of korfball experience. We're looking for a coach who can create an enjoyable, inclusive environment while supporting players' development and helping the team achieve success on and off the court.

The person specification below indicates the essential and desirable attributes that an individual must demonstrate to be considered for the post. Please note that covering letters should be written in way that demonstrates how the applicant meets each of the attributes. **Applicants will be shortlisted if they demonstrate how they meet all of the essential attributes. The desirable attributes are not necessary to be shortlisted, but are considered to be advantageous.**
